

Hello...

so this is the first time that i've done
this and sorry if it's not the best job
ever...i'm no professional....i just want to
share the love...

I have to give special thanks to Lea Nicolais for translating
this for me (and for you)...enjoy...and it goes w/o
saying to support Takarai-san w/ her works if they ever
become available in your country...

Thanks for reading, enjoy and if anyone
knows where to get the raws for chapter 3
share the love!
i'm catandmouse

只有花兒知道。

Sorry
about
that.

When
we're
not even
using them.

Hm?
You're going
to carry all
that at
once?

Takada is only
coming at
sundown today.
I'll move them
while the sun is
still up.

It's
okay

since I
like
them too

SHAMAZU

Out of many coincidences
a new story is born!

Only the flower knows

I just
thought the
flowers must
like you too

What
is it?

you suit
them so
well

只有花兒知道

Only the flower knows

This isn't good.

Ah---

My tears won't stop--

The contacts don't fit

Oh.

Arifune?

My contacts
don't fit.
The tears
won't stop.

Oh
right,
your
eyes
were
bad.

It's
been
so
long.

What
was
your
face?
Why
are
you
crying?

Oh—
the face?

Yeah.
Really?

And when our
majors are
different it's
hard to even
pass by each
other.

Haven't seen you
since last year's
baccarat!

Oh?
Really?

He decided not to forget the bad times of the previous year and welcome the
new one.

She
probably
is...

What?
Did you two
get into a
fight?

No...

what desires
can you
have with such
a cute
girlfriend?

Speaking
of the
baccarat,
she was
there too

Remind
them

Is
she
fine?

Yeah

Oh...

Um...
It's ok

Are
you
you?

I'm
fine

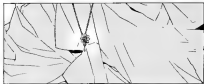

No
I can't
just leave
someone that
tripped so
spectacularly

You shouldn't
be carrying this
much by
yourself

Is this
ok?

Whether

Whether it's
masculine or
feminine

...Anything's
fine if it
suits you.
Is what I
thought.

...It's
fine
if it suits
you

Isa?

That
suits you
just fine

You don't
like it?

Why?

But it suits
you so well

I'll be going now.

I'm glad the flowers seem fine

There!

Yes

Thank you

...

I'm coming to
get you, so
get ready

It's
already
past 9

Sorry, I was
in the lab...

Kawa-
kawa-
taku...

How come
you
didn't pick up
right away?

A flower...!

It's like
glass...

How
pretty

Oh, it's
not real.

Hm?

Renard?

Ah...
Sorry
I came
in with-
out knocking

None of my
calls went
through...
I thought you
might be busy

but I
wanted to
see you, so
I came with-
out asking

Yeah, I
like it.

Thank
you

Oh
Do you
like
strawberry
dai-fuku?

I bought
some on
my way over.
If you don't
need it now,
you can eat it
now.

You like
them too
don't you?

I think
I'll eat
them
now

Screw-
berry...

This...
belongs to a
girl, right?

I don't
know
anything
about that
necklace

And I
don't know
anyone
named
Misaki.

But...

I found
it here...

Should we put
some distance
between us?

Even though I want to
stay with you more
instead of seeing
you over every
few weeks—

While you
were asleep,
you called out
the name
"Mitsuki"

I guess it's
different for
Youchi!
